

MUSEO AUDIOVISIVO DELLA RESISTENZA

"This museum is dedicated to preserving and developing the historical memory of the Resistance movement in the provinces of Massa Carrara and La Spezia. Not just the memories of partisans but also of peasants, deportees, inmates, women, and an entire population all involved in the battle to survive under Fascist and Nazi domination. Inside, a table is divided into two halves by a series of vertical screens. By passing their hands over the surface of the table, the visitors can flick through a collection of stock footage as if it were a virtual book on the subject. The various sequences shown in the book are further illustrated on the screens on which the enlarged faces of the people interviewed appear. In this way the narrative form of the oral testimony goes hand in hand with technology, encouraging a shared visual experience as well as one that involves listening..."
