

UNBROKEN

LVIV

Ukrainian humanitarian hub

5 mln refugees and 11 000 wounded during last 9 months in Lviv

**War means severe injuries,
amputated limbs and high need of
prosthesis**

Stepanenko family survived during attack on Kramatorsk railway station, which killed 57 Ukrainians

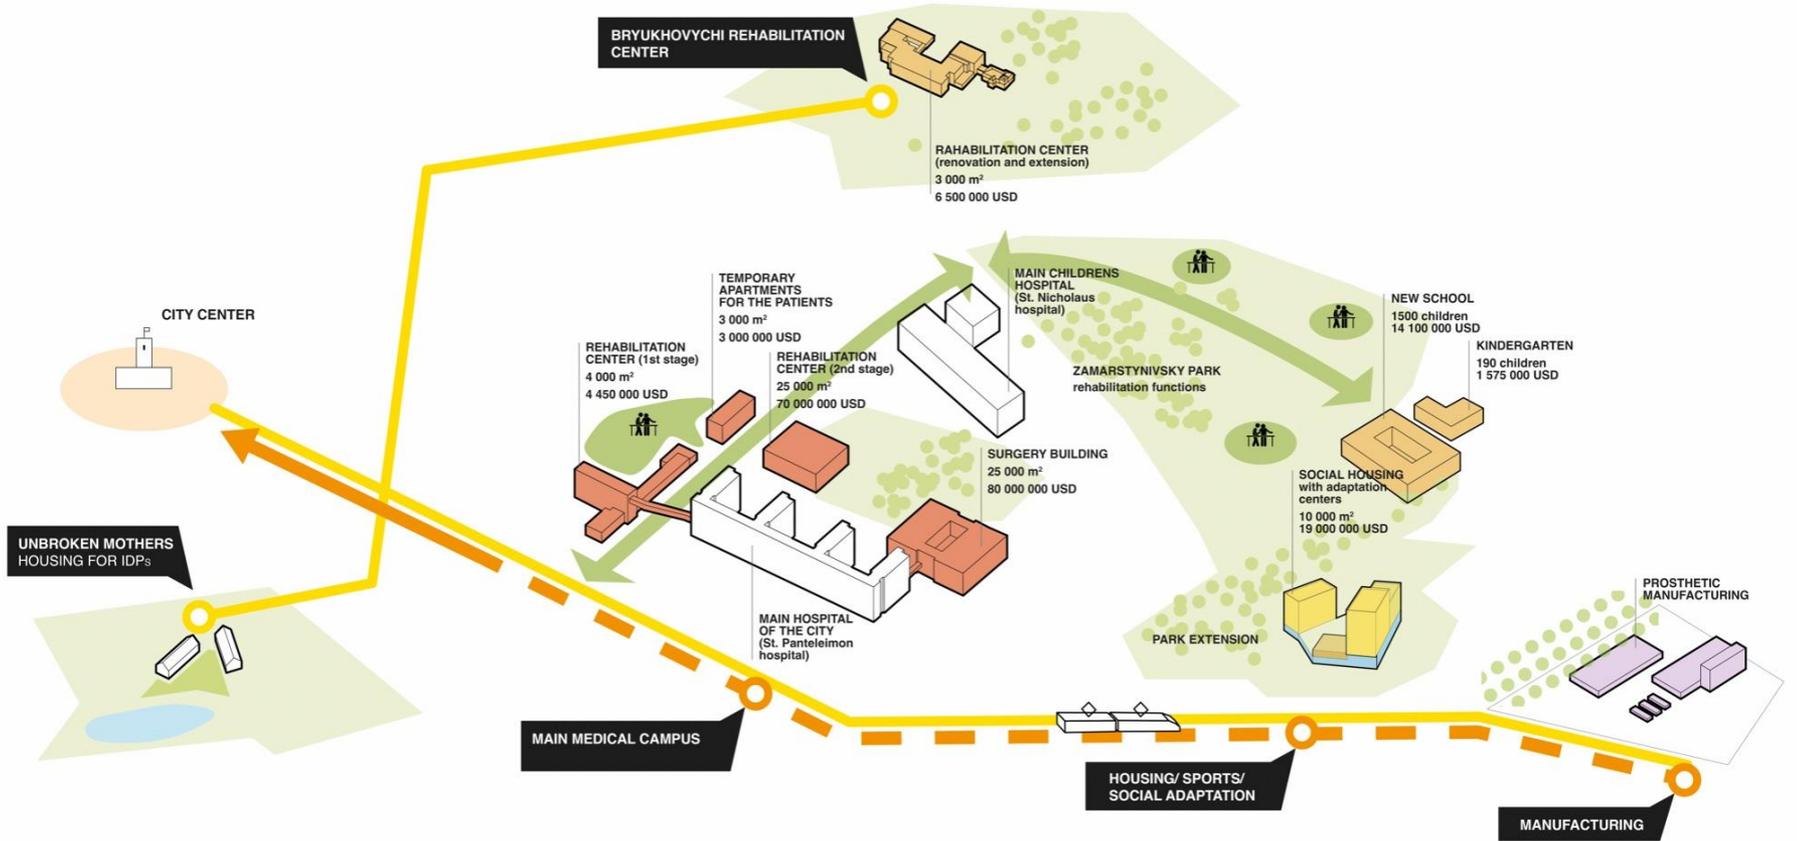

THOUSANDS
stories like that

The logo consists of a thick yellow U-shaped border. Inside the curve of the 'U', the word 'UNBROKEN' is written in a bold, white, sans-serif font.

UNBROKEN

Ecosystem of hospitals and initiatives
to treat, prosthetic and rehabilitate
Ukrainians in Ukraine

What we did already

КОМУНАЛЬНА ЛІСЬКА СІМІННА ЛІКАРНЯ МЕДИЧНОЇ ДОПОМОГИ

Our hospital became main rear hospital for civilians

We protect and treat patients from all over the country.

Even in shelters

**We built “Unbroken mothers” center
for pregnant women and women who just
delievered**

We launched small prosthetic workshop

**First Ukrainian made
bionic prosthetics**

Mental health center
Millions of Ukrainians will need psychological
and social rehabilitation

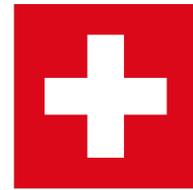

What are our next plans

REHABILITATION CENTER (1st stage)

- Physical and occupational therapy
- Inpatients department
- Mental health center
- Training zone for rehabilitation teams
- Assistive technology center

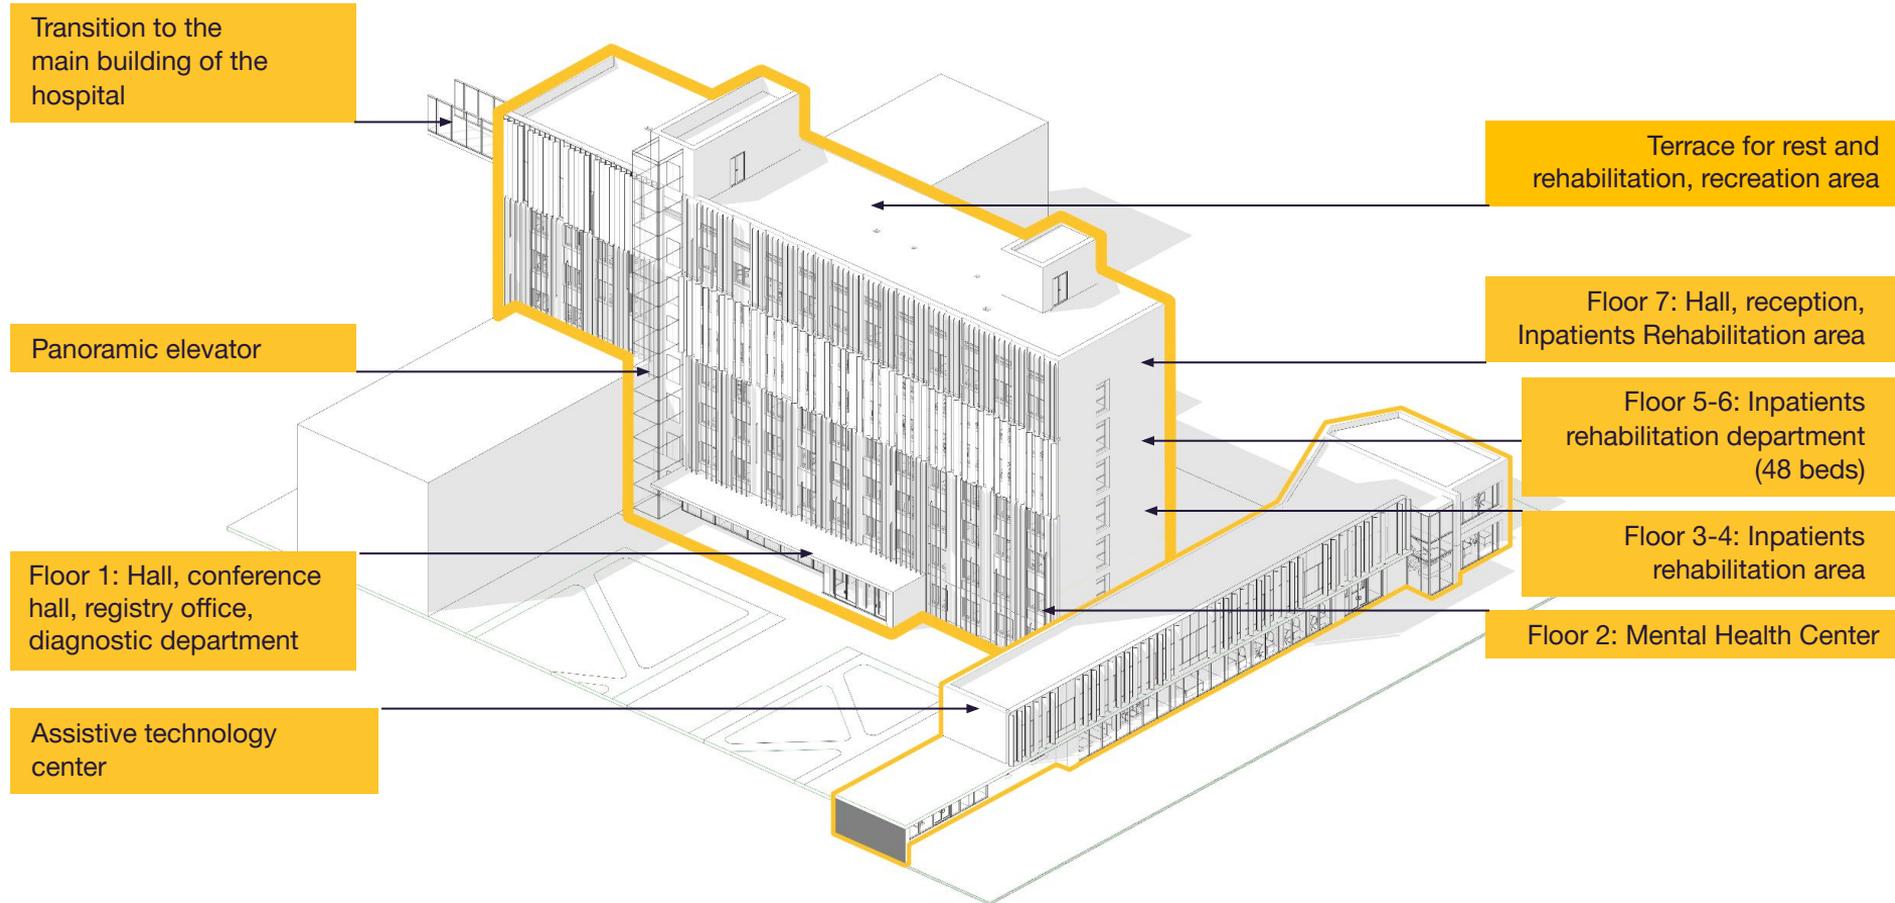

**Total budget - 8,7 mln EUR
(7 mln EUR still needed)**

Switzerland.

Freiburg
IM BREISGAU

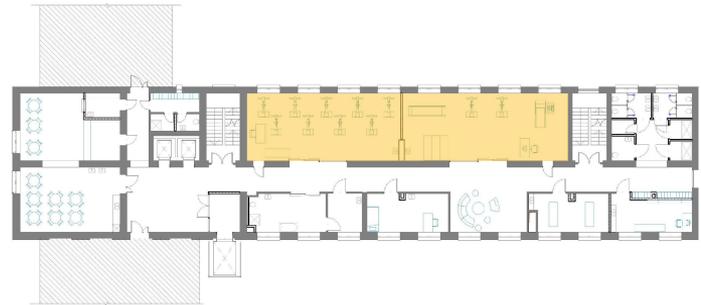

RECONSTRUCTION OF THE EXISTING CLINIC BUILDING FOR THE REHABILITATION CENTER

Floor 3

outpatient rehabilitation area

- physical therapy gyms (cardiorespiratory, musculoskeletal and neurorehabilitation)
- occupational therapy room (imitation of a household environment)
- massage room
- room of hardware physiotherapy

Build prosthetics manufactory

**until the age of 18 a child
changes prosthesis every
year**

**Rehabilitation center in
Bruhovychi**

**Total budget: 6,5 mln EURO
(3,5 mln still needed)**

UNBROKEN
